

2026 Sponsorship Opportunities

Help make a difference in the life of a child struggling to speak.

Imagine how it must feel for a child who is unable to form words or clearly express themselves when speaking. Their daily life is challenged during situations that many take for granted. This child can't tell their parents when they are sick or hurt, can't tell a new friend their name, or they aren't able to answer their teacher's questions. Think about how their loved ones might be yearning to hear them say, "I love you." These are some of the many examples of what life is like for about 1 in 1000 children who have been diagnosed with childhood apraxia of speech (CAS).

That's where you come in! With your sponsorship, you can make a significant impact on the lives of these children and their families. Your support will help fund research on CAS, educate speech-language pathologists on how to provide treatment, and help parents by sustaining the programs and resources they depend on while navigating this tumultuous journey.

Interested in learning more about Apraxia Kids?

Visit our website at www.apraxia-kids.org to read about the countless other ways in which your sponsorship can help us strengthen the support systems in the lives of children with apraxia of speech.
