

Dear [Restaurant Owner/Manager Name],

My name is [Your Name], and I am participating in the [Location] Walk for Apraxia, benefiting the nonprofit Apraxia Kids. We are hoping to partner with [Restaurant Name] for a Dine-to-Donate event to help raise funds and awareness for children with Childhood Apraxia of Speech, a rare speech disorder where children know what they want to say but have difficulty learning or carrying out the complex, sequenced movements that are necessary for intelligible speech.

The Walk for Apraxia is part of a national effort led by Apraxia Kids to support families, fund research, and improving access to appropriate diagnosis and treatment for children with apraxia. Our local event brings together families, therapists, and community members who are passionate about helping children find their voices.

We would love to schedule a designated date where a percentage of sales would be donated back to our Walk. In return, we will promote your restaurant across social media, email, and within our local Walk network to drive traffic and new customers to your business.

Thank you for considering this meaningful partnership! We would be honored to work together to make a difference.

Warmly,
[Your Name]

Dear [Restaurant Owner/Manager Name],

My name is [Your Name], and I am participating in the [Location] Walk for Apraxia benefiting Apraxia Kids. I am reaching out to explore the opportunity of partnering with [Restaurant Name] for a Dine-to-Donate event in support of children with Childhood Apraxia of Speech, a rare speech disorder where children know what they want to say but have difficulty learning or carrying out the complex sequenced movements that are necessary for intelligible speech.

The Walk for Apraxia is part of a national movement led by Apraxia Kids, a nonprofit organization dedicated to supporting families, advancing research, and improving access to appropriate diagnosis and treatment for children with apraxia. Childhood Apraxia of Speech is a motor speech disorder that makes it difficult for children to plan and coordinate the movements needed for speech. With proper therapy and support, these children can find their voices.

Our local Walk brings together families, therapists, educators, and community members to raise awareness and critical funds. We would love to partner with [Restaurant Name] to host a Dine-to-Donate event on or around Apraxia Awareness Day in May (or another mutually agreed upon date).

Here's what the partnership could look like:

- A designated date and time where a percentage of food sales is donated to our Walk team or event
- Dine-in and carryout options.
- Supporters mention the Walk or present a flyer when ordering

In return, we will:

- Promote the event heavily through social media, email, and our Walk network
- Encourage families, friends, local schools, and therapy providers to attend
- Highlight and tag your restaurant across our platforms
- Bring in new customers who may return in the future

Our Walk team will also be present during a designated time window (if permitted) to greet supporters and thank your staff. We are happy to provide any documentation needed and coordinate details that make this easy and successful for your team. Our goal is to create a mutually beneficial partnership that supports a meaningful cause while driving traffic to your business.

Thank you for considering this opportunity to make a difference in the lives of children working hard every day to find their voices. We would be honored to partner with you.

Warmly,

[Your Name]
